

Edit Automated Text Message Responses

Last Modified on 05/20/2022 1:28 pm PDT

Some auto-response text messages can be edited. Others cannot.

Messages that CAN be edited:

One-Time Response messages can be edited. This means any SMS Messaging keyword you have set up on short code 51555 can be fully customized.

To create an SMS Subscription Keyword, [click here](#).

Messages that CANNOT be edited:

Fundraising and Engagement (41444, 91999) and Crowdfunding (71777) automated response text messages cannot be edited -- only the Organization Name and Short Name contained within them can be changed.

You can turn off the reminder messages, though.

To customize Organization Name and Short Name, [click here](#).

To modify which automatic reminder messages are sent, [click here](#).
