There are no messages to display.

Sent

Campaign	Type	Title	Sent	Stats ?	Date & Time	Status
MobileCause Fundamentals	Email	Test	3	Open rate: 100.0% (3) Click-through rate: 33.3% (1) last activity: 10 days ago	10/24/2018 09:29 am (Immediate)	Sent

The Outbox will show you:

- Which Campaign the message was sent from
- The Type of message
- The Title of the message
 - Clicking on the title will show you the details of the message
- Sent will show you how many unique email addresses the message was sent to.
- Stats will show you the open rate of the email and the click-through of any links you have in it.
- Date & Time show when the message was sent
- Status will either show as Sent or provide any errors it may have had when sending the message.
