

Edit a Supporter's Information

Last Modified on 09/25/2023 12:49 pm PDT

Your constituent's details are stored in GiveSmart Fundraise by their Phone Number. If anything else changes, such as they have a new address or they've changed their name, you can modify their record yourself.

Find the donor's record

To change constituent's information, first, go to **Contacts**

Here you can search for a contact in different ways: Contact information, date range amounts, etc. Since you usually are looking for a specific supporter, looking for them through their name, email and/or phone will probably be the most efficient.

Click **Search** at the bottom of the page when ready.
