

# How can I add a custom message to my Thank You page?

Last Modified on 05/20/2022 7:36 pm PDT

Donors see your **Thank You page** after making a donation. You can customize the text on this page and add a "Next" button that links to whatever page you'd like.

Thank you!

Your card ending in 3232 has been billed \$60.00.

We just emailed you a receipt. To learn more about how you can get involved please visit our website by clicking the Next button.

You can also share this event on Facebook or Twitter. Thanks again for your donation.

Next

To edit the Thank You page, click on your keyword from the Dashboard. Make sure you have the **Keyword** tab selected on the left.

To add a **Next** button directing to whatever page you'd like, simply enter in any web address in the box labeled **Link for 'next' button after donation is made**. This could be a Thank You video uploaded to your YouTube account, a page on your website, a coupon that they gain access to once donating, etc.
