Ticketing Activity

The Ticketing Activity in GiveSmart Fundraise will allow you to sell tickets, check in your supporters, and manage your event communication. Watch the video for an overview of Ticketing activities and EventWorks. Click the buttons below to learn how to create your Ticketing activity.

There are four parts to understanding the Ticketing experience:

- Set up the Event Details in your campaign
- Personalize a Ticketing Form
- Manage Guests with Your Ticketing Activity
- Check-In guests from Computer, Tablet, or Mobile Device

Event Details   Ticketing Activity Design   Manage Guests   Check-In

Thank you for partnering with GiveSmart for your ticketing event. Did you know our Events space features enhanced ticketing and premier guest management that best supports your network and team?
