Set Up a Ticketing Activity

The **Ticketing Activity** in GiveSmart Fundraise will allow you to sell QR-enabled tickets, manage ticketed guests, and check in guests at your event. Click the buttons below to learn how to create your Ticketing activity.

> **TIP:** Hosting an auction? Running a raffle? Need Seating Management with your ticketing? GiveSmart Events is the place. Click **here** to learn more.

There are four parts to understanding the Ticketing experience in GiveSmart Fundraise. Click on each below to get started:

1. Campaign Details

2. Ticketing Activity Design

3. Manage Guests

4. Guest Check In
