

Connecting to Your PayPal Account

Last Modified on 09/20/2023 10:31 am PDT

Not only can your donors use their credit or debit card for donations, they can also use PayPal.

Payment information

🔒 This is a secure 256-bit SSL encrypted payment

Note: Donations made through PayPal will deposit through your PayPal account settings, not your Merchant account. It will also use PayPal's fees, not your Merchant account processing fees.

You will need to create a PayPal account for your organization if you do not have one before connecting it to your GiveSmart Fundraise account.

Link PayPal to GiveSmart Fundraise

To link your PayPal account to GiveSmart Fundraise:

1. Click on **Settings** (the Gear icon)

2. Click on the **Integrations** category on the left, then the **Payments** section in the middle.
