

# Basic Disaster Relief Campaign

Last Modified on 04/13/2022 12:31 pm PDT

This video will quickly show you how to set up a basic disaster relief campaign. It is a streamlined process to help you get a donation form in place as fast as possible, so you can spend your time helping others during the disaster. When you have more time, you can review the more detailed instructions for personalizing and customizing your forms for your campaign.
