- **Donor Support Number:** Enter a phone number for your donors to reach you if they're having any issues or concerns. If you do not put a number in this field, it will default to a GiveSmart Fundraise support form.
 - The Donor Support number appears through texting when a donor texts HELP after they've texted your keyword or in Recurring Donation reminder texts.
 - It also replaces the GiveSmart Fundraise support form with that number in all Recurring Donation reminder emails and texts.
