

# Order History Account Settings

Last Modified on 06/02/2022 7:52 am PDT

The Order History section of the Account Settings will show you your receipts when your GiveSmart Fundraise account renews. So if this is your first year with GiveSmart Fundraise, you will not see receipts. The first year receipt was sent to you through email when you signed up.

Date	Order	Amount	State
<i>This account has no existing orders. Please email <a href="mailto:accounting@mobilecause.com">accounting@mobilecause.com</a> to request a receipt.</i>			

When you have been with GiveSmart Fundraise for more than a year, you will see the summary of the renewal payments and you will be able to download a PDF of the renewal receipt.
