Last Modified on 06/14/2023 7:40 am PDT

The GiveSmart Fundraise Fundamentals series of training sessions take you through the most common usage of a GiveSmart Fundraise account, through four different sessions. For more on the recordings, [click here](#).

This course will take you through the design process of the most common activity in GiveSmart Fundraise, the **Text to Donate** activity, and show you how you can apply that knowledge to personalizing your other forms.

## Agenda

- Setting Up a Keyword
- Online Form Design / Personalization
- Confirmation Page
- Fulfillment (Pledge Reminder) Options

- Offline Donations
- Managing Pledges

## Text to Donate Activities Class

Please note that the user interface has recently changed within GiveSmart Fundraise and the initial menuing will be different from what is currently in the video. Once past the initial navigation steps, the rest of the material should still be viable.

**For more information, review the [enhanced navigation here](#).**

We will update the video to reflect this change as soon as possible.
