- *The Bank Secrecy Act (BSA), also known as the Currency and Foreign Transactions Reporting Act, is legislation passed by the United States Congress in 1970 that requires U.S. financial institutions to collaborate with the U.S. government in cases of suspected money laundering and fraud. The Financial Crimes Enforcement Network (FinCEN) has implemented new rules around Bank's Due Diligence under the Bank Secrecy Act (BSA). Over the years, BSA has been strengthened through subsequent anti-money laundering (AML) laws. This includes parts of USA PATRIOT Act compliance, which focus on money laundering in the form of terrorist financing.*

## 2. Banking & Processing Information

This information entered into this section will be used to set up direct deposit with your bank. It's very **important** that you review this section for accuracy. If the incorrect routing or account numbers are entered, this could cause delays in receiving funds.

- Enter the Bank Name.
- Choose the Account Type (should be a Checking account).
- Enter the Routing Number.
- Enter the Account Number.

**IMPORTANT:** Your linked bank account **must** allow debits for the credit card processing fees on a monthly basis. If your bank account does not allow such a debit from CardConnect's ACH Company ID **G592126793**, the merchant services provider will place a hold on your deposits until you can verify that your bank account has been updated with their ACH ID as an allowed payee. Debits will appear from the ACH ID **G592126793**, and your direct deposits will appear as "MERCHANT BANKCD DEPOSIT 496-----" where the numerical figure starting with "496" is your merchant ID.
