

CardConnect (CardPointe) Digital Application Process

Last Modified on 10/07/2024 10:02 am PDT

In order to access your merchant application, please reach out to your Customer Success Manager.

IMPORTANT: The financial signer (individual with authority to create a merchant account on behalf of the organization) needs to complete this application. If that does not occur, then a new application may be required.

Complete the reCAPTCHA and select Begin Your Application.

1. Business Details

- **Business Legal Name:** Enter the Legal/IRS Name of your organization.
- **DBA Name:** "Doing Business As" name, aka the public name of your organization. This will be the name located on the cardholder's credit card statements.
- **Business Phone:** Enter the general contact phone number for your organization.
- **Website:** Enter your organization's main website URL.
- **Business Address:** Begin entering your organization's ****physical**** address, and it should auto-populate to be selected below. **NOTE:** A P.O. Box cannot be accepted as the Business Address.

1. Business Details (Continued)

- **Years In Business:** Select from the available options.
- **Type Of Ownership:** Select from the available options.
- **Tax ID:** Enter your organization's EIN, and double-check that it's accurate.
- **Industry:** Select from the available options. *Non-profits are 8398 - Charitable And Social Service Organizations*

Business Owner Information

All of the following fields are required to be provided by your organization's financial signer in order to move forward with the application process.

- Enter your First and Last Name.
- % of Ownership: 0%.
 - You do not need to be an "Owner" of the organization to complete the application.
 - Recommended to enter 0% as a non-profit
- Enter your Date of Birth

- Signer needs to be at least 18 years old.
- Enter the Last 4 of your SSN.
- Enter your Email Address.
 - Email needs to be connected to the signer.
- You do **not** need to select "I give my Personal Guarantee".
- Residence Address: Use the look-up tool to select your **residence** address.

IMPORTANT: The individual who signs the merchant account application for a nonprofit organization **must** provide their **full legal name, date of birth, residential address, and social security number**. Providing your personal information simply allows CardConnect to verify you/your organization as a customer, and does **not** make you personally liable for the account.

Once you submit your merchant account application, the information you provide will be checked against the list of Specially Designated Nationals (SDNs) and similar lists maintained by the U.S. government.

****Providing your personal information will not result in a hard inquiry on your credit report, nor will it affect your credit score.**

- Due to federal banking laws, the **Social Security Number is a required field**.
 - The application will only ask for the last 4 digits of the SSN, unless the system is not able to verify your contact info. If the system is unable to verify your identity, you may receive the following message prompting you to enter in your full SSN:
- *The Bank Secrecy Act (BSA), also known as the Currency and Foreign Transactions Reporting Act, is legislation passed by the United States Congress in 1970 that requires U.S. financial institutions to collaborate with the U.S. government in cases of suspected money laundering and fraud. The Financial Crimes Enforcement Network (FinCEN) has implemented new rules around Bank's Due Diligence under the Bank Secrecy Act (BSA). Over the years, BSA has been strengthened through subsequent anti-money laundering (AML) laws. This includes parts of USA PATRIOT Act compliance, which focus on money laundering in the form of terrorist financing.*

2. Banking & Processing Information

This information entered into this section will be used to set up direct deposit with your bank. It's very **important** that you review this section for accuracy. If the incorrect routing or account numbers are entered, this could cause delays in receiving funds.

- Enter the Bank Name.
- Choose the Account Type (should be a Checking account).
- Enter the Routing Number.
- Enter the Account Number.

IMPORTANT: Your linked bank account **must** allow debits for the credit card processing fees on a monthly basis. If your bank account does not allow such a debit from CardConnect's ACH

Company ID **G592126793**, the merchant services provider will place a hold on your deposits until you can verify that your bank account has been updated with their ACH ID as an allowed payee.

Debits will appear from the ACH ID **G592126793**, and your direct deposits will appear as "MERCHANT BANKCD DEPOSIT 496-----" where the numerical figure starting with "496" is your merchant ID.

Goods & Services

Enter in the *Average Annual Card Volume* and the *Average Transaction (Donation) Amount* you expect to receive.

IMPORTANT: The amount entered here will greatly impact your processing ability. We recommend to over-estimate this amount, in order to avoid being flagged by CardConnect's Risk Department if you were to exceed the indicated volume.

TIP: It is recommended to enter an amount for your anticipated highest month of processing (average annual card volume) and your anticipated highest transaction/donation (average transaction amount).

Mode of Transaction

- This should be set to **100% Online**.
- Third Party Provider: No
- Product/Service Delivery Windows: Yes
